

Organisation for Joint Armament Co-operation Executive Administration

FSAF-PAAMS Programme Division

Prior Information Notice **TORO Power Generator Support (ISS FSAF-PAAMS)**

OCCAR-EA as Contracting Authority, representing the government of Italy, has a potential requirement for the maintenance of TORO Power Generator. It is anticipated that the duration of the Contract will be three years, with options to extend to a maximum of five years. The contract is due to start in August 2023. It includes:

- Preventive Maintenance;
- Corrective Maintenance;
- Spare Parts procurement;
- On-site Technical Assistance.

OCCAR-EA plans to issue to ARIS company, the prime contractor, an invitation to tender (ITT) for this requirement in March 2023. A tender is expected in May 2023. Award of contract is anticipated by July 2023. The conduct of the tendering will be in the English language.

For sub-contract opportunities, interested companies should contact (copy to OCCAR-EA):
