

Organisation for Joint Armament Co-operation Executive Administration

FSAF-PAAMS Programme Division

Prior Information Notice **In-Service Support of FSAF-PAAMS Systems**

OCCAR-EA as Contracting Authority, representing the governments of France, Italy and the United Kingdom, has a potential requirement for the in-service support of FSAF and PAAMS systems during the period January 2023 to January 2028. This would be the third 5-year period of support. It includes:

Waterfront Service
Service Desk
Technical Assistance
Radar Overhaul
In Service Configuration Management
Obsolescence Management
Failure Reporting Analysis And Corrective Action
Interactive Electronic Technical Publication
Software maintenance
Integrated System Support software
Ammunitions services

OCCAR-EA plans to issue to EUROSAM, the prime contractor for FSAF-PAAMS, an invitation to tender (ITT) for this requirement in April 2021. A tender is expected in October 2021. Award of contract is anticipated in late-2022. The conduct of the tendering will be in the English language.

For sub-contract opportunities, interested companies should contact (copy to OCCAR-EA):

EUROSAM
Centre d'Affaires La Boursidière
Bâtiment Le Kerguelen
92357 Le Plessis-Robinson Cedex
