Procurement of more than 100 BOXER vehicles

OCCAR-EA, as Contracting Authority, has a potential requirement for the procurement of more than 100 BOXER series vehicles in different versions.

OCCAR-EA has the intention to award the contract in 2023 and it is anticipated that the duration of the contract will be three years.

The requirement of more than 100 BOXER vehicles will be contracted via the BOXER vehicles consortium ARTEC GmbH and its main subcontractors Krauss-Maffei Wegmann GmbH (KMW) and Rheinmetall Landsysteme GmbH (RLS).

ARTEC, as the prime contractor, is the management company of the aforementioned subcontractors, which are the developer and the only certified manufacturer of BOXER vehicles. Suppliers interested in this procedure are invited to follow and monitor the OCCAR web site for the publication of the Contract Notice (CN).
